Saffron Outdoor Living receives Award of Excellence 2024

Award winning Saffron Outdoor Living: Transforming Outdoor Living

Saffron Outdoor Living, is a proud family-run company, specialising in elevating outdoor spaces with their extensive range of bespoke plantation shutters, German awnings, verandas, composite decking, and Glassrooms.

Nestled near Cambridge, they cater to areas including Essex, Suffolk, Hertfordshire, Cambridgeshire, Norfolk, Bedfordshire, and the Home Counties.

Unrivalled Expertise and Trusted Service:

Backed by years of experience, the Saffron team is committed to delivering reliable, trusted, and pocket-friendly services. Their dedication to achieving the highest standards and customer satisfaction has earned them recognition and trust in the industry.

2024 Awards of Excellence Recipient:

Saffron Outdoor Living proudly stands out as a recipient of the prestigious 2024 Awards of Excellence by E2 Media. This accolade, bestowed for the second time, emphasizes their commitment to unparalleled customer service. Saffron's consistent efforts to exceed expectations highlight their status as a leader in providing a positive and seamless experience for their clients.

Crafting Elegance Inside and Out:

Saffron's range of window shutters adds a touch of sophistication to homes, seamlessly blending style and functionality. These shutters are meticulously crafted to meet the diverse needs of homeowners, providing both aesthetic appeal and practicality.

Stylish and Functional Outdoor Solutions:

For comfortable outdoor living, Saffron creates and installs bespoke awnings, offering a stylish solution for enjoying outdoor spaces while staying protected from the sun. With a variety of styles, fabrics, and colours, clients can customise their outdoor areas to match unique preferences.

Artistic Balustrades for Every Environment:

Going beyond shutters and awnings, Saffron offers bespoke glass and stainless steel balustrades. These are not just barriers but artistic statements that enhance the visual appeal of any residential environment. As approved installers for Balconette Balcony systems, Saffron ensures the highest standard in design, configuration, and installation.

Transform Your Outdoor Space with Saffron:

Clients choose Saffron for more than just products; they choose an experience that is seamless, reliable, and transformative. The testimonials and satisfaction of their clientele speak volumes about the trust and reliability that Saffron has built over the years.

To embark on the journey of transforming your outdoor space into a beautiful, usable area, choose Saffron Outdoor Living.
